Dear Parent/Carer,

## Information for Parents of S4 Pupils

I am writing regarding your child's transition into the second year of their Senior Phase Journey.

Over the coming months, we have a programme in place to support pupils make the best possible choice of pathway.

**Thursday 28 and Friday 29 January** - Open afternoons for pupils and parents to informally discuss course choice options with teachers.

**Throughout February** - Course choice discussions in PSE classes. Individual course choice interviews as required.

**Tuesday 2 February** - Course Choice Assembly. Information session for all pupils.

**Wednesday 10 February at 6.30pm** - Senior Phase Information Evening. This evening will be very similar to the evening which took place last year. While you are welcome to attend, you may feel that you do not need to.

**Thursday 11 February** - Course choice paperwork issued to pupils. The information booklet will be published on the school website.

**Friday 26 February** - Final Senior Tracking Report emailed to parents.

**Monday 29 February** - Return completed Course Choice sheets.

I hope that this programme will ensure a successful transition into S5 for your child. Please do not hesitate to contact me through the School Office if you would like any further information.

Yours faithfully

**Judith Mohamed**  
Head Teacher
