Dear Parent/Carer,

Information for Parents of S5 Pupils

I am writing regarding your child's transition into the final year of their Senior Phase Journey.

Over the coming months, we have a programme in place to support pupils make the best possible choice of pathway.

Thursday 28 and Friday 29 January - Open afternoons for pupils and parents to informally discuss course choice options with teachers.

Throughout February - Course choice discussions in PSE classes. Individual course choice interviews as required.

Wednesday 3 February - Course Choice Assembly. Information session for all pupils.

Wednesday 10 February - Senior Phase Information Evening. This event is aimed at the parents of pupils moving into S4. However, as S6 differs slightly from S4 and S5, we are holding a half-hour information session for parents of pupils entering S6 at 6.00pm on this evening. This means that if you have a child entering S4 and S6, you can attend both sessions.

Thursday 11 February - Course choice paperwork issued to pupils. The information booklet will be published on the school website.

Friday 26 February - Final Senior Tracking Report emailed to parents.

Monday 29 February - Return completed Course Choice sheets.

I hope that this programme will ensure a successful transition into S6 for your child. Please do not hesitate to contact me through the School Office if you would like any further information.

Yours faithfully

Judith Mohamed
Head Teacher
