Dear Parent,

I am writing regarding some changes to our system of supporting pupils at Oldmachar Academy.

The mainstay of support for pupils in Oldmachar Academy is the Pupil Support Team and that will remain as before. The changes relate to the Depute Head Teacher roles. Previously, each Depute linked with one of our four Houses but this will now change and each Depute will link to a year group. I have included a leaflet which lays out these changes for you and includes the answers to some questions which you may have.

We have held assemblies for each year group to make them aware of the changes and we anticipate a smooth transition to the new system.

Please do not hesitate to get in touch if you would like any further information.

Yours faithfully

Judith Mohamed
