

We are delighted to provide you with detailed information about our Careers Fair. This event will take place on Thursday 2 February from 6-8 pm and will consist of stands, talks and practical activities. It will be held in the dining hall, common room and various classrooms. It should be noted that pupils must be accompanied by a parent/carer at this event.

This booklet provides general information on the organisations attending our Careers Fair. It also highlights those organisations which are providing talks and/or practical activities. It is essential to sign up for these talks and/or practical activities as places are limited.

You have been issued with a sign up form. S3-S5 pupils should return this to their tutor teacher; however S6 pupils should return the form to the school office. Sign up forms should be returned no later than Monday 23 January.

Once we have collated all the information, you will receive a letter detailing the times and places of your allocated talks/practical activities. Unfortunately we cannot guarantee that we can accommodate all your requests.

The booklet is correct at time of printing, however there may be additional organisations participating. Our school website will contain the most recent up-to-date information.
