

TextHelp in Aberdeen City Parents & Carers Information Evening

Date: Monday 11th June 2018

Time: 7:15pm – 8:30pm

Venue: Aberdeen Grammar School, Lecture Theatre

Why should I attend?

Every Aberdeen City School now has access to TextHelp's Read&Write software, available on every device - Windows PCs, Macs, Google, iPad and Android tablets, and what's more – **Everyone can access it at home too!** Come along to hear more about the software and how it can be used to support all learners.

What is Read&Write software?

Used daily by millions of students worldwide, Read&Write is an award-winning literacy toolbar that helps each member of the class realise their full potential. Supporting all stages from **Primary 1 to S6**, there are features to benefit everyone!

- Word prediction and dictionary tools to support every stage of learning
- Text-to-speech and voice recognition – Why type when you can use your voice?!
- Fact finding and research tools to support emerging story writers as well as senior students completing assignments
- Mp3 audio maker – Download your notes and listen on-the-go
- And lots more! *Find out more information at www.texthelp.com*

“Helping every student understand, learn and express themselves with confidence.”

Want to find out more? Everyone welcome!

Email tasscc@aberdeencity.gov.uk to let us know if you are coming along on June 11th
Look forward to seeing you there!
